

Monthly Net Tangible Asset (NTA) backing at 28 February 2022

The unaudited NTA backing for the Company's ordinary shares as at 28 February 2022 is as follows:

NTA before providing for estimated capital gains tax	\$39.87 per share
NTA after providing for estimated capital gains tax	\$32.93 per share

This net tangible asset backing per ordinary share has been calculated after providing for the interim ordinary share dividend of 40 cents per share to be paid on 21 March 2022. The ex-dividend date was 28 February 2022 and the record date was 1 March 2022.

Under ASX Listing Rules the company is required to provide both the NTA before and the NTA after providing for estimated capital gains tax in respect of unrealized investment portfolio gains. The company invests for the long term and the Board has no intention of disposing of investments other than through takeovers, mergers or other exceptional circumstances that arise from time to time.

The NTA figures for the previous month end, as at 31 January 2022, were \$38.47 before providing for capital gains tax and \$31.96 after providing for capital gains tax.

The calculation of the NTA figures is based on the Company's interpretation of the law relating to capital gains tax and ASX Listing Rule 4.12.
